This matter came before the Board of Osteopathic Examiners in Medicine and Surgery (hereafter "Board") at a public meeting held on May 12, 2001 for action on a request for review of compliance by Dale Wheeland, D.O. (hereinafter "Respondent") of the Board's prior decision in Case No. 2702. Pursuant to its authority, the Board considered Respondent's compliance with terms and conditions of the Board Order for Probation issued on December 13, 2000. During the course of these proceedings, Respondent was present and represented by legal counsel, Jack Redhair.

Based upon Respondent's testimony and documentary evidence submitted to the Board, the Board voted to maintain its original Findings of Fact, Conclusions of Law and Order of Probation **DELETING PARAGRAPHS 3 AND 4 OF ITS ORDER** with deletion of Paragraphs 3 and 4 of its Order. The Board found that Respondent's prescribing priveleges should be fully reinstated and that he had completed the necessary continuing medical education requirements.

All other Findings of Fact, Conclusions of Law and terms and conditions of the aforesaid Order dated December 13, 2000 remain in force and effect.
